

SOCIAL SKILLS GROUP

Seeking participants who are:

- Diagnosed with autism spectrum disorders and/or related disorders
- Between 8 and 11 years of age

The group will consist of an 8-10 week, 60 minute intervention and based on applied behavioral strategies within the context of a group socialization experience. Activities are designed to enhance social skills through modeling, role playing, participation in social activities and positive reinforcement.

If interested, please contact our office at (860) 430-1762.
