

Behavior Analyst

The Center for Children with Special Needs seeks a *Senior Behavior Analyst* to join our staff. We seek an individual with a Masters or Doctoral degree in Psychology or Special Education who is Board Certified in Behavior Analysis, with extensive experience working with individuals with autism spectrum disorders in educational settings. Primary responsibilities will include providing consultative support and clinical supervision to staff in established programs for students with Autism Spectrum Disorders in selected public school programs. We seek an individual with excellent clinical skills, along with a proven and extensive history of team leadership. This person should also be able to work collaboratively with interdisciplinary teams in a leadership role to promote evidence-based instruction at all levels. The Center offers a very competitive salary and exceptional benefits including full medical, tuition reimbursement, and funding for professional development activities. Salary would be commensurate with experience.

For consideration, please forward a letter of interest and c.v. to Dr. Michael Powers, Director, Center for Children with Special Needs, 2213 Main Street, Glastonbury CT 06033. Email: info@autismct.com. Fax: 860-430-1767.
